

Hybrid Annual Conference 2021

Dr. Viola M. Frymann: Inspiration, Research and Practice

Virtual Lectures and Discussions ... With Optional In-Person Practicums

June 9-27, 2021

Celebrate and gain insights into the work of osteopathic legend Viola M. Frymann, DO, FAAO, FCA (1921-2016) at the Osteopathic Cranial Academy Annual Conference to be held virtually and in person June 9-27, 2021.

Educational Lectures (Virtual)

- ▲ A variety of lectures will be offered, with many focusing on the teachings of Dr. Frymann.
- ▲ Lectures will be available **ON DEMAND** for viewing starting Wednesday, June 9. Watch these anytime at your convenience. See next page for details.
- ▲ Live discussion groups following the lectures will be available on Thursday evening, June 17, and Saturday, June 19. See next page for details.

Lab Practicums (In Person) (Optional)

- ▲ A group of practicum sessions will be offered on Saturday, June 26, and Sunday, June 27, in the following cities: Chicago, Dallas/Fort Worth, Denver, New York (Long Island or NYC), San Diego, San Francisco, St. Louis. All lab practicum sessions will be broadcast to each location, with a lead faculty member at each site teaching hands-on. See next page for a list of the practicum topics and presenters.

The Osteopathic Cranial Academy has requested that the AOA Council on Continuing Medical Education approve this program for Category 1-A AOA CME. Approval is currently pending.

ABOUT VIOLA M. FRYMANN, DO, FAAO, FCA

During her nearly 70-year career, Dr. Viola M. Frymann was a renowned clinician, educator, researcher and steward of the osteopathic profession. Specializing in caring for children, she

founded the Osteopathic Center for Children and Osteopathy's Promise to Children of San Diego, Calif. She was a leader in achieving restoration of the osteopathic medical license in California in 1974 after it had been eliminated for 13 years and merged with the MD license. She was instrumental in establishing the College of Osteopathic Medicine of the Pacific in 1975 at Western University of Health Sciences.

CONFERENCE DIRECTORS

Hollis H. King, DO, PhD, FAAO, FCA, Director
