

Introduction to Osteopathy in the Cranial Field

Hybrid 40-Hr Course | Sept 5-Nov 15, 2026

What You Need To Do Today

Sign Up for Discussion Groups

[Sign up for your Discussion Group times](#). Each time is limited to 10 participants and is filled on a first-come, first-served basis.

These one-hour discussions give you an opportunity to clarify concepts, integrate the lecture material, and prepare for hands-on application. Cameras must remain on throughout each session. Participation is mandatory to be able to move on to the next module.

About two-thirds of you have already signed up - great job! For those who haven't yet, the time slots are filling quickly. If you want to have options, [sign up now!](#)

Access Teachable

[Login to Teachable](#) today to make sure you can access the course. Please note that we are heading into a holiday weekend. If you experience any technical difficulties, there may be a delay in reaching us for assistance.

We launched the curriculum a day early so you can get started!

- Click Login in the upper right corner.
- Enter the email address you used to register for the course (the address you are receiving this email).
- Teachable will send a verification code to your email to be entered for access.

What You'll Need to Know Later

WEEKLY MODULES

The "Lectures" tab of the [Course Website](#) will give you more details on what to expect, how the quizzes work, the number of lectures each week, etc.

PASSING CRITERIA

More information about the complete criteria for passing the course can be found on the "Policies & Expectations" tab of the [Course Website](#).

TRAVEL

Travel information and schedules for the in-person labs can be found on the "Lab Info" tab of the [Course Website](#).

CONTACTS

- For scheduling, technical, Zoom, or Teachable questions: ed@cranialacademy.org
- For course material questions: Coursedirectors@cranialacademy.org

If you no longer wish to receive these emails you can [unsubscribe](#) at any time. This is not advised as it will prevent you from receiving course information.
