The first Discussion Groups are tomorrow - **Saturday, September 19**. You should have received a reminder email from Zoom today with the connection information.

Participation, with your video on, is mandatory to continue to the next portion of the course. Test your camera in advance and have another video option available.

You must **complete all assigned videos and quizzes by midnight Pacific Time on the Friday** before each Discussion Group. Due to the complexity of the material, please give yourself enough time to complete and absorb the information in each module during the week; do not leave it to the last day.
